

EMPLOYMENT OPPORTUNITY
CIVIL SUPERINTENDENT

Progressive Ventures Construction is a commercial and industrial construction company with 40 years' experience in Northwestern BC. We are looking for an experienced civil superintendent for earthworks related projects.

The superintendent coordinates all site construction activities and supervises all field personnel as required to successfully complete the project on schedule and within budget.

Responsibilities:

- Complete projects on budget, time and as per plans, specs, addendums, and approved changes;
- Supervise small, large and complicated projects effectively and efficiently;

The successful candidate will:

- Have extensive experience in the commercial and industrial construction industry;
- Be highly organized and have the ability to supervise and schedule workers, sub-contractors, and suppliers;
- Be competent reading construction blueprints
- Be an effective and professional communicator in a positive team environment.

If you are interested in working for one of the oldest and most respected companies in the Northwest, submit your resume to:
