Dear Mr. McKeown:

Thank you for completing the building addition and interior office renovation in our Terrace Area Office. The work was conducted in an efficient and timely manner, and the project was completed on schedule and within budget.

This project was very successful due to the open communication and team approach by all parties involved. It was also completed in a sensitive manner, minimizing interruptions to the daily operations of the staff.

Should the opportunity arise, we would look forward to working with you again.

Yours truly,
